### **Discount Program**

Enspire Beauty and Wellness, PLLC offers a discount program to eligible patients, including individuals over 65 years of age (seniors), full-time students, low-income families, full-time teachers, first responders, ministers, yoga teachers, active-duty military personnel, and veterans.

This discount applies exclusively to visit fees and does not apply to the purchase of supplements or any other products or services.

Eligibility for discounts may require verification of status. Please inquire with our staff for details regarding qualifications and the application of discounts.

### **Discount Program Consultations & Medical Visits**

- Initial Primary Care Visit – \$80
- Established Patient Follow-Up – \$60

### **Discount Program Weight Loss Services**

- Initial Consultation – \$100
- Follow-Up Visit – \$75

### **Insurances**

Enspire Beauty and Wellness is currently working with commercial insurance companies to become in-network, focusing on most PPO plans. Please see above for select additional plans. Coverage varies by plan, and deductibles, coinsurance, and copays may still apply.

Our providers participate with state healthcare programs (such as Medicaid), but at this time, we can only treat Medicaid or Medicare patients as self-pay since we are not currently in the Medicaid or Medicare network and cannot bill these insurances. However, we are able to send prescriptions, diagnostic tests, referrals, and labs using your insurance.

**PLEASE NOTE:** Please be advised that a \$60 cancellation fee will be charged to your card on file for any cancellations made less than 24 hours before your scheduled appointment. Additionally, a \$60 no-show fee will apply if you do not attend your appointment. To avoid these charges, kindly reschedule or cancel at least 24 hours in advance.
